## INTERNATIONAL SUMMER SCHOOL IN QUALITATIVE RESEARCH METHODS IN EDUCATION

III EDITION

### ADVANCED GROUNDED THEORY

JUNE 25 - 28, 2012  
Corso Bettini, 84 - Rovereto (TN), Italy

The Department of Cognitive and Education Sciences, University of Trento, is hosting the 3rd International Summer School in Qualitative Research Methods in Education, this year focused on Advanced Grounded Theory.

The Summer School will take place in Rovereto, Trento from June 25<sup>th</sup> to 28<sup>th</sup> under the scientific coordination of prof. **Massimiliano Tarozzi** and with the internationally renowned faculty of **Juliet Corbin** and **Janice Morse**.

#### PURPOSES

The Summer School aims at providing skills to carry out Qualitative Research in Education with Grounded Theory Method. In particular, the Summer School will focus on data analysis strategies, abstraction and theory construction from data. Participants will be invited to discuss their own researches during workshops.

At the end of the Summer School students will:

- know different approaches to Grounded Theory data analysis in educational research
- be able to conduct a rigorous data analysis according to Grounded Theory Method
- understand and manage issues about abstraction and theory construction, getting autonomy in theorizing from data
